EDUCATION

Bachelor of Science in Cloud Computing

Tech Institute
2018

SKILLS

- AWS
- Serverless Architecture
- Cloud Monitoring
- Technical Documentation
- Agile Methodologies

LANGUAGES

- English
- Spanish
- French

WORK EXPERIENCE

Cloud Engineer

2020-2023

NextWave Technologies

- Developed and deployed serverless applications on AWS Lambda, reducing infrastructure costs by 30%.
- Collaborated with product teams to refine application requirements and ensure alignment with cloud capabilities.
- Implemented monitoring solutions using AWS CloudWatch, improving visibility into application performance.
- Educated team members on cloud best practices, fostering a culture of innovation.
- Assisted in the migration of legacy applications to cloud-native frameworks.
- Contributed to the development of technical documentation and user guides for cloud solutions.

Cloud Operations Intern

2019-2020

Creative Cloud Solutions

- Supported team members in cloud operations, gaining practical experience in AWS and Azure.
- Assisted in troubleshooting cloud service issues, contributing to enhanced service reliability.
- Participated in meetings to discuss project updates and cloud strategies.
- Learned about security best practices in cloud environments to ensure data protection.
- Engaged in research on emerging cloud technologies and trends to stay informed.
- Created presentation materials for team meetings, improving communication of cloud initiatives.

ACHIEVEMENTS

- Recognized for excellence in cloud engineering with an 'Outstanding Contributor' award.
- Successfully reduced deployment times by 50% through automation.
- Presented findings on cloud optimization at internal tech seminars.
