SKILLS

- AWS
- Node.js
- Agile
- Testing
- Documentation
- Team Collaboration

LANGUAGES

- English
- Spanish
- French

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER ENGINEERING, UNIVERSITY OF INNOVATION, 2018

ACHIEVEMENTS

- Successfully completed a project that improved application response times by 20%.
- Recognized for outstanding performance during internship at NextGen Technologies.
- Contributed to a team project that was awarded 'Best Innovation' in 2020.

WORK EXPERIENCE

JUNIOR CLOUD ENGINEER

Digital Innovations Co.

2020 - 2025

- Assisted in the development of cloud-based applications using AWS and Node.js.
- Participated in sprint planning and retrospectives, contributing to agile project management.
- Collaborated with senior developers to enhance application features and fix bugs.
- Conducted testing and validation of cloud applications to ensure functionality and performance.
- Created documentation for cloud services and application workflows.
- Engaged in knowledge-sharing sessions to promote best practices among team members.

SOFTWARE INTERN

NextGen Technologies

2015 - 2020

- Supported the development of cloud solutions by writing clean, maintainable code.
- Assisted in troubleshooting and resolving technical issues with cloud applications.
- Participated in team meetings to discuss project progress and roadblocks.
- Learned cloud service management and deployment processes through hands-on experience.
- Contributed to the enhancement of user interfaces for cloud applications.
- Gained experience in using cloud monitoring tools to track application performance.
