# MICHAEL ANDERSON

## LEAD CLOUD SYSTEMS ADMINISTRATOR

Dedicated Cloud Systems Administrator with nearly 10 years of experience in enterprise environments, specializing in hybrid cloud solutions. Strong proficiency in VMware and OpenStack, with a focus on enhancing system performance and reliability. Proven ability to lead cross-functional teams in the successful deployment of cloud initiatives. Experienced in disaster recovery planning and implementation, ensuring business continuity.

## PROFESSIONAL EXPERIENCE

### **Enterprise Solutions Group**

*Mar 2018 - Present*

Lead Cloud Systems Administrator

- Led the design and implementation of a hybrid cloud strategy that increased operational efficiency by 35%.
- Supervised a team of cloud engineers, ensuring timely project delivery and adherence to best practices.
- Developed and executed disaster recovery plans that minimized downtime during outages.
- Optimized resource allocation strategies, reducing cloud costs by 20%.
- Implemented security measures across cloud environments to protect sensitive data.
- Engaged with stakeholders to gather requirements and provide updates on cloud initiatives.

### **Tech Solutions Co.**

*Dec 2015 - Jan 2018*

Cloud Systems Engineer

- Supported the implementation of VMware-based cloud infrastructure, resulting in improved scalability.
- Monitored system performance metrics and provided recommendations for enhancements.
- Collaborated with application teams to ensure cloud compatibility and optimization.
- Assisted in the development of automation scripts to streamline routine tasks.
- Participated in security audits and compliance checks to maintain cloud integrity.
- Provided technical support and training to internal users on cloud technologies.

## ACHIEVEMENTS

- Successfully led a project that migrated 100+ applications to a hybrid cloud environment.
- Awarded 'Best Team Leader' for exceptional project management and team coordination.
- Recognized for reducing cloud infrastructure costs by 30% through optimization efforts.
