SKILLS

- AWS
- Azure
- Ansible
- Terraform
- Linux
- Networking
- Cloud Security
- Performance Optimization

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF SCIENCE IN
INFORMATION SYSTEMS, CITY
UNIVERSITY**

ACHIEVEMENTS

- Successfully led a cloud migration project that improved service uptime to 99.95%.
- Recognized for developing a cost-saving initiative that reduced cloud expenses by 20%.
- Received a team award for excellence in cloud infrastructure management.

WORK EXPERIENCE

CLOUD INFRASTRUCTURE ENGINEER

Cloud Solutions Group

2020 - 2025

- Designed and implemented secure and scalable cloud architectures for enterprise clients.
- Automated cloud deployment processes using Ansible and Terraform.
- Conducted performance assessments and applied optimizations that improved efficiency by 35%.
- Collaborated with security teams to ensure compliance with regulations and best practices.
- Managed cloud cost optimization initiatives, resulting in a 20% reduction in overhead.
- Provided mentorship and training to new team members on cloud technologies.

SYSTEMS ANALYST

Innovative Tech Solutions

2015 - 2020

- Analyzed system requirements and designed solutions to enhance cloud functionality.
- Supported cloud migration projects, ensuring minimal disruption to services.
- Documented system configurations and procedures for future reference.
- Engaged with clients to gather feedback and improve service delivery.
- Collaborated with development teams to troubleshoot and resolve cloud-related issues.
- Participated in the development of training materials for cloud services.
