

MICHAEL ANDERSON

CLOUD MIGRATION SPECIALIST

PROFILE

Results-driven Cloud Technology Consultant with over 10 years of experience specializing in cloud migrations and infrastructure optimization. Proven expertise in transforming business processes through innovative cloud solutions, enabling organizations to achieve their strategic goals. Strong background in both public and private cloud environments, including AWS and Microsoft Azure. Highly skilled in data analysis, project management, and stakeholder engagement.

EXPERIENCE

CLOUD MIGRATION SPECIALIST

Global Tech Corp.

2016 - Present

- Led the migration of over 500 servers to AWS, resulting in a 40% reduction in operational costs.
- Developed custom migration strategies that minimized downtime and data loss.
- Implemented monitoring tools to enhance performance visibility and reliability.
- Trained technical staff on new cloud solutions and best practices in migration.
- Collaborated with vendors to ensure seamless integration of third-party services.
- Created comprehensive documentation for migration processes and post-migration support.

CLOUD SOLUTIONS ENGINEER

Data Innovations Inc.

2014 - 2016

- Engineered cloud-based solutions that improved data accessibility for over 200 users.
- Designed and deployed a disaster recovery plan that reduced recovery time by 50%.
- Utilized Kubernetes for container orchestration, optimizing resource utilization.
- Worked closely with clients to customize solutions based on their operational needs.
- Conducted regular performance evaluations to ensure service level agreements were met.
- Presented quarterly reports to stakeholders on cloud performance metrics.
