SKILLS

- neurodevelopmental disorders
- neuroimaging
- data analysis
- cognitive assessment
- mentorship
- publication

EDUCATION

**PH.D. IN COGNITIVE NEUROSCIENCE,
COLUMBIA UNIVERSITY, 2015**

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Developed a widely adopted assessment tool for ADHD.
- Received the Early Career Research Award from the Developmental Neuroscience Society.
- Published over 10 articles on cognitive development in children.

Michael Anderson

POSTDOCTORAL RESEARCH FELLOW

I am a results-driven Cognitive Neuroscience Researcher with a focus on neurodevelopmental disorders. With over 6 years of experience in both academic and clinical environments, I specialize in understanding how cognitive processes are affected in conditions such as ADHD and autism. My work integrates behavioral assessments with neuroimaging techniques to provide a comprehensive understanding of these disorders.

EXPERIENCE

POSTDOCTORAL RESEARCH FELLOW

Developmental Neuroscience Lab

2016 - Present

- Led studies examining cognitive functions in children with ADHD.
- Utilized neuroimaging to investigate brain development in autism.
- Collaborated with educators to develop assessment tools for children.
- Published research findings in top-tier journals, enhancing field knowledge.
- Presented at international conferences, sharing insights with peers.
- Supervised graduate students, providing mentorship and guidance.

RESEARCH ASSISTANT

Cognitive Development Center

2014 - 2016

- Assisted in research on cognitive assessments for children with developmental disorders.
- Managed data collection and participant recruitment for studies.
- Conducted behavioral assessments to support research objectives.
- Collaborated with a multidisciplinary team to analyze data.
- Contributed to grant proposals for funding research projects.
- Participated in community outreach programs to educate about developmental disorders.
