# MICHAEL ANDERSON

## PROJECT CARPENTER

Highly skilled commercial carpenter with over 12 years of specialized experience in high-rise and commercial building construction. Demonstrates exceptional technical proficiency in both rough and finish carpentry, coupled with a comprehensive understanding of structural integrity and building safety regulations. A proactive leader adept at managing diverse teams, ensuring seamless project execution from inception to completion.

## **PROFESSIONAL EXPERIENCE**

### **Skyline Builders Inc.**

*Mar 2018 - Present*

Project Carpenter

- Directed carpentry operations for multiple high-rise projects simultaneously.
- Created detailed project plans and timelines to ensure efficient workflow.
- Conducted safety training sessions to promote a safe work environment.
- Collaborated with engineers to ensure structural compliance and integrity.
- Supervised the installation of complex framing systems and finishes.
- Managed material logistics to reduce waste and improve cost efficiency.

### **Urban Construction Group**

*Dec 2015 - Jan 2018*

Carpenter

- Performed essential carpentry tasks including framing, sheathing, and drywall installation.
- Worked closely with subcontractors to ensure timely project completion.
- Maintained a clean and organized job site to ensure safety and efficiency.
- Executed detailed measurements and material cuts for precision installation.
- Participated in team meetings to discuss project progress and challenges.
- Developed relationships with suppliers to streamline material procurement.

## **ACHIEVEMENTS**

- Awarded 'Best Project Team' for outstanding performance on a 30-story building.
- Reduced project costs by implementing innovative material usage strategies.
- Recognized for exemplary safety record with zero incidents over three years.
