MICHAEL ANDERSON

COMMERCIAL DAIRY MANAGER

Innovative Commercial Dairy Manager with over 12 years of experience in the dairy sector, focusing on enhancing production systems and implementing best management practices. Possesses deep expertise in herd management, production optimization, and employee training. Proven ability to navigate regulatory landscapes while promoting sustainable and ethical farming practices. Recognized for developing strategic initiatives that lead to significant improvements in operational efficiency and profitability.

PROFESSIONAL EXPERIENCE

Eco Dairy Solutions

Mar 2018 - Present

Commercial Dairy Manager

- Directed operations of a 600-cow dairy farm with a focus on sustainability.
- Implemented a comprehensive herd health program that improved average milk yield.
- Utilized advanced analytics to optimize feed consumption and reduce waste.
- Developed training programs that increased employee retention rates.
- Secured funding for renewable energy projects, enhancing farm sustainability.
- Collaborated with industry partners to promote best practices in dairy farming.

Mountain View Dairy

Dec 2015 - Jan 2018

Herd Manager

- Managed day-to-day herd operations and health monitoring.
- Implemented nutrition plans that enhanced milk quality.
- Oversaw breeding programs, resulting in improved herd genetics.
- Ensured compliance with animal welfare standards and regulations.
- Participated in research initiatives to improve dairy practices.
- Assisted in marketing strategies to promote products at local markets.

ACHIEVEMENTS

- Increased overall milk production by 25% through management initiatives.
- Received industry award for best practices in dairy management in 2022.
- Successfully led the adoption of renewable energy practices on the farm.
