MICHAEL ANDERSON

LEAD COMMERCIAL ELECTRICIAN

Innovative Commercial Electrician with over 12 years of experience in electrical systems design and implementation for commercial and industrial applications. Expertise includes advanced electrical troubleshooting, system upgrades, and the integration of energy-efficient technologies. A proactive leader with a firm grasp of regulatory compliance and safety standards, consistently ensuring project adherence to local and national codes.

PROFESSIONAL EXPERIENCE

ElectroTech Innovations

Mar 2018 - Present

Lead Commercial Electrician

- Oversaw the design and implementation of electrical systems for commercial projects.
- Conducted energy audits to identify efficiency improvement opportunities.
- Developed project scopes and managed budgets to optimize resources.
- Collaborated with multidisciplinary teams to ensure project success.
- Ensured compliance with all relevant electrical codes and standards.
- Mentored junior electricians, fostering skill development and safety practices.

Green Energy Electrical

Dec 2015 - Jan 2018

Commercial Electrician

- Executed electrical installations and upgrades in commercial settings.
- Diagnosed complex electrical issues and implemented effective solutions.
- Maintained extensive documentation for all electrical work performed.
- Participated in project planning and coordination with contractors.
- Engaged clients to discuss project needs and specifications.
- Promoted energy-efficient practices in all installations.

ACHIEVEMENTS

- Reduced client energy costs by 20% through efficient system upgrades.
- Recognized for excellence in project management with a company award in 2021.
- Successfully completed over 150 commercial projects ahead of schedule.
