

MICHAEL ANDERSON

INTELLECTUAL PROPERTY COUNSEL

PROFILE

Accomplished commercial lawyer with a robust background in intellectual property rights and corporate law. Demonstrated success in advising technology firms on patent law and trademark registrations, coupled with extensive experience in licensing agreements and IP litigation. Recognized for the ability to translate complex legal jargon into actionable business strategies, fostering innovation while minimizing legal risks.

EXPERIENCE

INTELLECTUAL PROPERTY COUNSEL

Tech Innovations Corp.

2016 - Present

- Advised on patent filings and trademark registrations, ensuring robust IP protection.
- Negotiated licensing agreements with third-party vendors and partners.
- Conducted IP audits to identify and mitigate risks associated with technology assets.
- Represented clients in IP litigation cases, achieving favorable settlements.
- Collaborated with R&D teams to assess patentability of new inventions.
- Provided training on IP law to internal stakeholders to enhance compliance.

COMMERCIAL LAWYER

Innovative Legal Group

2014 - 2016
