

# MICHAEL ANDERSON

## DAIRY FARM MANAGER

### PROFILE

Dedicated Commercial Livestock Manager with a robust background in the dairy industry, possessing over 12 years of experience in managing large-scale dairy operations. Expertise in herd management, milk production optimization, and regulatory compliance. Proven ability to implement best practices that enhance operational efficiency and product quality. Strong leadership skills with a focus on team development and fostering a culture of safety and accountability.

### EXPERIENCE

#### DAIRY FARM MANAGER

##### Sunnyvale Dairy Co.

2016 - Present

- Managed a dairy operation with over 1,500 milking cows, ensuring optimal milk production levels.
- Implemented automated milking systems, resulting in a 20% increase in efficiency.
- Developed and executed feed management plans that improved milk quality and yield.
- Trained and supervised a team of 15 employees, promoting a culture of safety and continuous improvement.
- Ensured compliance with state and federal regulations regarding dairy production.
- Conducted regular performance reviews and provided feedback to enhance staff capabilities.

#### ASSISTANT DAIRY MANAGER

##### Greenfield Farms

2014 - 2016

- Assisted in managing a large dairy farm, focusing on herd health and productivity.
- Monitored milk production metrics, identifying areas for improvement.
- Participated in the development of breeding programs to enhance herd genetics.
- Coordinated employee training on animal welfare and milking procedures.
- Engaged with local community programs to promote dairy farming education.
- Maintained accurate records of production and herd health data.
