MICHAEL ANDERSON

REGULATORY AFFAIRS SPECIALIST

Visionary Commercial Space Consultant with extensive experience in regulatory affairs and compliance within the aerospace industry. Demonstrates a profound understanding of the legal frameworks governing space activities, coupled with an ability to navigate complex regulatory environments. Possesses exceptional negotiation skills, adept at liaising with government agencies and industry stakeholders to advocate for favorable policy outcomes.

PROFESSIONAL EXPERIENCE

Space Compliance Solutions

Mar 2018 - Present

Regulatory Affairs Specialist

- Managed compliance audits for commercial launches, ensuring adherence to federal regulations.
- Developed regulatory strategies for new space technologies, facilitating timely approvals.
- Collaborated with legal teams to draft and review compliance documentation.
- Engaged with government representatives to advocate for policy changes beneficial to the industry.
- Conducted training sessions for internal teams on regulatory requirements and best practices.
- Monitored changes in legislation affecting the commercial space sector.

AeroLaw Firm

Dec 2015 - Jan 2018

Legal Advisor

- Provided legal counsel on contracts and agreements related to aerospace projects.
- Conducted legal research to support compliance and regulatory initiatives.
- Represented clients in negotiations with government agencies regarding licensing and permits.
- Drafted legal opinions on emerging space law issues impacting commercial operations.
- Facilitated workshops on regulatory compliance for industry stakeholders.
- Participated in advocacy efforts to shape space policy at a national level.

ACHIEVEMENTS

- Successfully influenced the passage of legislation supporting commercial space initiatives.
- Recognized as 'Outstanding Contributor' by the Space Law Society for advocacy efforts.
- Authored a published paper on the implications of international space treaties.
