

MICHAEL ANDERSON

PEDIATRIC COMMUNITY DENTIST

PROFILE

Passionate Community Dentist with 8 years of experience focusing on pediatric dentistry within urban underserved communities. Expertise in creating child-friendly environments to reduce anxiety and promote positive dental experiences. Known for developing engaging educational programs that encourage children and families to prioritize oral health. Proficient in the latest dental technologies and treatment methodologies, ensuring high-quality care for every patient.

EXPERIENCE

PEDIATRIC COMMUNITY DENTIST

Little Smiles Dental Center

2016 - Present

- Provided dental care to over 2,000 children, focusing on preventive and restorative treatments.
- Developed interactive educational workshops for parents and children, increasing attendance by 50%.
- Introduced a rewards program that incentivized children for maintaining good oral hygiene.
- Collaborated with local schools to integrate oral health education into their curricula.
- Utilized sedation dentistry techniques to ensure comfort for anxious pediatric patients.
- Achieved a 95% approval rating from parents based on post-visit surveys.

ASSOCIATE DENTIST

Green Valley Dental

2014 - 2016

- Performed dental procedures including cleanings, fillings, and extractions on a diverse patient base.
- Implemented a new patient follow-up system that improved appointment adherence by 35%.
- Participated in community outreach programs to provide free dental care to underserved families.
- Facilitated training sessions for dental staff on contemporary pediatric care practices.
- Utilized telehealth solutions to conduct virtual consultations during the pandemic.
- Achieved recognition for maintaining a patient safety record with zero incidents.
