# MICHAEL ANDERSON

## GERIATRIC COMMUNITY DENTIST

Experienced Community Dentist with a focus on geriatric dentistry, bringing over 10 years of expertise in providing tailored dental care for older adults. Skilled in addressing the unique dental needs of seniors, including managing chronic conditions and coordinating care with other health professionals. Committed to improving the quality of life for elderly patients through comprehensive dental treatment plans and education.

## PROFESSIONAL EXPERIENCE

### **Senior Care Dental Services**

*Mar 2018 - Present*

Geriatric Community Dentist

- Provided comprehensive dental services to over 1,200 senior patients in nursing homes and community centers.
- Developed individualized treatment plans that addressed the specific needs of geriatric patients.
- Collaborated with healthcare providers to manage dental care as part of overall health plans.
- Trained staff on special considerations for geriatric dental health.
- Created educational materials to inform seniors about oral health and its importance.
- Achieved a 40% increase in dental visits among seniors through outreach and education.

### **Comfort Dental Clinic**

*Dec 2015 - Jan 2018*

Associate Dentist

- Performed dental examinations and treatments, focusing on the unique needs of older adults.
- Implemented a referral system that improved collaboration with specialists, enhancing patient care.
- Provided dentures and other prosthodontics, improving patients' quality of life.
- Conducted regular workshops on oral health for caregivers and family members.
- Achieved a patient satisfaction rate of 95% through personalized care and follow-ups.
- Utilized patient feedback to continually improve service delivery and care standards.

## ACHIEVEMENTS

- Received the 'Excellence in Geriatric Dentistry Award' in 2021 for outstanding contributions.
- Increased patient engagement in dental health programs by 50% within the senior community.
- Published articles on geriatric dental care in leading dental publications.
