WORK EXPERIENCE

Special Needs Community Dentist

2020-2023

Inclusive Dental Care Clinic

- Delivered specialized dental care to over 800 patients with disabilities, focusing on individualized treatment plans.
- Trained staff on effective communication techniques for patients with special needs.
- Developed community education programs that raised awareness about dental health for disabled individuals.
- Collaborated with local agencies to provide comprehensive care support for patients and families.
- Utilized adaptive tools and techniques to enhance patient comfort during treatments.
- Achieved a 95% satisfaction rate based on patient and caregiver feedback.

Associate Dentist

2019-2020

Family Health Dental Group

- Performed routine and emergency dental procedures with a focus on patient-centered care.
- Implemented a patient feedback system that improved service delivery by 30%.
- Engaged in community outreach initiatives to promote dental health awareness.
- Maintained detailed patient records and treatment histories for accurate follow-ups.
- Achieved recognition for a high patient retention rate through exceptional care.
- Utilized telehealth services to provide consultations during the COVID-19 pandemic.

ACHIEVEMENTS

- Recipient of the 'Excellence in Special Needs Care Award' in 2021 for outstanding contributions.
- Increased awareness of special needs dental services by 50% through targeted campaigns.
- Published findings on best practices in special needs dentistry in professional journals.
