WORK EXPERIENCE

Environmental Community Organizer 2020-2023
Faith for the Earth Initiative

- Led a community-wide campaign focused on reducing plastic waste, engaging over 500 participants.
- Conducted educational workshops on sustainable practices for faith leaders and community members.
- Collaborated with local environmental organizations to develop joint initiatives.
- Implemented a community garden project that provided fresh produce to local families.
- Organized interfaith events that raised awareness about climate change.
- Developed promotional materials to encourage participation in sustainability programs.

Community Sustainability Advocate 2019-2020
Green Faith Coalition

- Promoted environmental justice initiatives within faith communities through outreach.
- Assisted in organizing clean-up events that mobilized over 200 volunteers.
- Developed partnerships with local businesses to support sustainability efforts.
- Conducted surveys to assess community interest in environmental programs.
- Facilitated discussions on the role of faith in environmental stewardship.
- Created educational resources to inform community members about eco-friendly practices.

ACHIEVEMENTS

- Awarded the Eco-Leadership Award for exemplary contributions to environmental sustainability.
- Increased community participation in sustainability programs by 70%.
- Successfully launched a community recycling initiative that diverted over 10 tons of waste from landfills.
