MICHAEL ANDERSON

MENTAL HEALTH PROGRAM COORDINATOR

Dedicated Community Health Program Coordinator with a focus on mental health initiatives and over 6 years of experience in public health settings. Expertise in developing programs that address the mental health needs of diverse populations, including youth and marginalized communities. Strong background in program evaluation and the application of evidence-based practices.

PROFESSIONAL EXPERIENCE

Mind Matters Initiative

Mar 2018 - Present

Mental Health Program Coordinator

- Developed and launched a mental health awareness campaign that reached over 5,000 individuals.
- Led training sessions for 100+ community health workers on mental health first aid techniques.
- Collaborated with local schools to implement mental health education programs for students.
- Organized monthly support groups for individuals experiencing mental health challenges.
- Utilized data analysis to assess program effectiveness and guide future initiatives.
- Presented mental health resources at community events, fostering awareness and access.

Community Wellness Center

Dec 2015 - Jan 2018

Public Health Educator

- Delivered educational workshops on mental health topics to over 1,500 community members.
- Implemented a peer support program that improved participant engagement by 35%.
- Collaborated with healthcare providers to improve referral processes for mental health services.
- Managed outreach efforts that increased program participation by 50% year over year.
- Conducted evaluations to measure the impact of programs on community mental health awareness.
- Engaged in advocacy efforts to promote mental health legislation at the local level.

ACHIEVEMENTS

- Received the Mental Health Champion Award for outstanding service in 2021.
- Increased program enrollment by 60% through targeted outreach strategies.
- Secured \$150,000 in funding to expand mental health services in the community.
