MICHAEL ANDERSON

HEALTH EQUITY ANALYST

Dedicated Community Impact Analyst specializing in health equity and social determinants of health. With a solid foundation in public health policies and community engagement strategies, this professional has consistently contributed to improving health outcomes for marginalized populations. Expertise lies in data analysis, program development, and cross-sector collaboration, ensuring that health initiatives are responsive to community needs.

PROFESSIONAL EXPERIENCE

Wellness Network

Mar 2018 - Present

Health Equity Analyst

- Analyzed health data to identify disparities in health outcomes among communities.
- Developed community health assessments that informed program development.
- Collaborated with healthcare providers to align services with community needs.
- Conducted workshops to educate community members on health resources.
- Utilized statistical software to evaluate program effectiveness and outcomes.
- Presented data findings to health boards and community stakeholders.

Health for All

Dec 2015 - Jan 2018

Community Outreach Coordinator

- Managed outreach campaigns to increase access to healthcare services.
- Developed partnerships with local organizations to enhance service delivery.
- Trained volunteers on health education and outreach techniques.
- Coordinated community events to promote health awareness.
- Monitored program data to track engagement and outcomes.
- Provided feedback to improve program strategies based on community input.

ACHIEVEMENTS

- Led initiatives that improved healthcare access in underserved areas by 30%.
- Awarded 'Outstanding Community Service' by the Public Health Association.
- Published a report on health disparities that guided community interventions.
