Proactive Community Impact Analyst with a rich background in social services and community outreach. This professional excels in evaluating and enhancing community programs that address social issues such as homelessness and food insecurity. With a strong emphasis on data analysis and community engagement, this analyst has successfully implemented programs that have made measurable differences in community well-being.

WORK EXPERIENCE

Social Services Analyst | Community Care Coalition   Jan 2022 – Present

- Evaluated social service programs to measure impact on community well-being.
- Conducted needs assessments to identify gaps in service delivery.
- Collaborated with local agencies to address housing and food insecurity.
- Utilized data analysis to inform program adjustments and improvements.
- Facilitated training sessions for staff on best practices in service delivery.
- Presented program results to stakeholders to secure ongoing funding.

Community Outreach Specialist | Helping Hands Network   Jul 2019 – Dec 2021

- Organized outreach initiatives to connect vulnerable populations with resources.
- Developed partnerships with local businesses to support service delivery.
- Monitored program participation and provided feedback for improvement.
- Coordinated events to raise awareness about community resources.
- Engaged with community members to gather input on needs and solutions.
- Provided training for volunteers to enhance service effectiveness.
