WORK EXPERIENCE

Social Justice Planner 2020-2023

Equity in Planning Initiative

- Developed community engagement strategies that increased participation from underrepresented groups by 60%.
- Facilitated focus groups to gather insights on community needs and priorities.
- Collaborated with local organizations to implement programs that address social disparities.
- Conducted assessments of community resources to inform equitable planning practices.
- Presented policy recommendations to city officials, influencing changes in zoning laws.
- Monitored and evaluated project outcomes to ensure alignment with community goals.

Community Engagement Specialist 2019-2020

Neighborhood Action Coalition

- Coordinated outreach efforts that increased awareness of community resources and services.
- Organized community forums to discuss planning initiatives and gather public input.
- Utilized surveys to assess community needs and inform planning strategies.
- Engaged with diverse populations to promote inclusive participation in urban planning.
- Developed educational materials to enhance community understanding of planning processes.
- Collaborated with local governments to ensure equitable access to services and resources.

ACHIEVEMENTS

- Awarded the Community Advocacy Award for exceptional contributions to social equity.
- Successfully facilitated a series of workshops that educated over 500 residents on planning processes.
- Published a report on the impact of equitable planning practices on community health.
