- data analysis
- community engagement
- report writing
- stakeholder collaboration

🗣 LANGUAGES

- English
- Spanish
- French

Experienced Community Policy Analyst with a focus on education policy and reform. Expertise in evaluating educational programs and advocating for policies that enhance educational equity and access. Demonstrated ability to conduct comprehensive research and analysis to inform policy development and strategic planning. Recognized for strong communication skills, facilitating effective dialogue among educators, policymakers, and community stakeholders.

💼 WORK EXPERIENCE

Education Policy Analyst   2020-2023

Department of Education

- Conducted policy analysis to evaluate the effectiveness of educational programs.
- Developed recommendations for improving access to quality education.
- Collaborated with schools to implement evidence-based practices.
- Facilitated community forums to discuss educational policy issues.
- Prepared policy briefs and reports for legislative review.
- Monitored and assessed the impact of state education policies on local communities.

Research Assistant   2019-2020

Education Research Institute

- Assisted in conducting research on educational policy trends.
- Compiled data for reports on student achievement and equity.
- Supported the development of educational policy recommendations.
- Engaged with stakeholders to gather input on educational initiatives.
- Contributed to presentations for educational conferences.
- Participated in grant writing efforts to secure funding for research projects.

⭐ ACHIEVEMENTS

- Increased student enrollment in underrepresented populations by 30% through policy advocacy.
- Received the 'Excellence in Education Award' for contributions to educational equity.
- Published research on educational reform that influenced state policy changes.
