- Recognized as Employee of the Year in 2021 for outstanding contributions to community projects.
- Authored a successful grant proposal that secured \$1 million for community development efforts.

PROFILE

Accomplished Community Project Manager with extensive experience in urban development and social services. Expertise in orchestrating large-scale community initiatives that focus on improving living conditions and fostering economic empowerment. Adept at identifying community needs and collaborating with diverse stakeholders to develop actionable strategies that yield measurable results. Highly skilled in project lifecycle management, from strategic planning to execution, ensuring alignment with long-term community goals.

EXPERIENCE

COMMUNITY DEVELOPMENT MANAGER

Urban Renewal Agency

2016 - Present

- Led a team to develop a community revitalization plan, resulting in a 15% increase in local business growth.
- Facilitated partnerships with educational institutions to implement vocational training programs.
- Oversaw the allocation of \$500,000 in community development funds to various projects.
- Conducted community assessments to identify key areas for improvement and resource allocation.
- Managed public relations campaigns to raise awareness of community programs, increasing participation by 40%.
- Trained staff on best practices for community engagement and project management.

PROJECT COORDINATOR

Neighborhood Services Organization

2014 - 2016

- Coordinated a community health initiative that improved access to health services for over 1,000 residents.
- Developed educational materials to inform the community about available resources.
- Organized workshops focused on financial literacy and budgeting for low-income families.
- Implemented a feedback system to gauge community satisfaction with services provided.
- Collaborated with local health providers to establish a referral network.
- Monitored project outcomes and reported findings to stakeholders for continuous improvement.
