Michael Anderson

VETERINARY BEHAVIORIST

Innovative Companion Animal Veterinarian with over 9 years of experience specializing in behavior and training. I possess a deep understanding of animal psychology and apply this knowledge to enhance the human-animal bond. My approach includes behavior modification techniques, training programs, and consultation services for pet owners facing challenges with their pets.

EXPERIENCE

VETERINARY BEHAVIORIST

Pawsitive Behavior Veterinary Services

2016 - Present

- Conducted behavioral assessments for over 400 pets annually, providing tailored solutions.
- Developed and implemented behavior modification plans with a success rate of 75%.
- Collaborated with trainers to enhance training programs and client education.
- Provided workshops for pet owners on behavior management techniques.
- Maintained detailed records of behavior cases and progress tracking.
- Participated in community outreach programs to raise awareness about pet behavior issues.

ASSOCIATE VETERINARIAN

Pet Wellness Clinic

2014 - 2016

- Performed routine exams and vaccinations for a variety of companion animals.
- Educated clients on behavior issues and preventative care strategies.
- Assisted in the development of a behavior consultation program.
- Managed medical records and client follow-ups to ensure continuity of care.
- Participated in team meetings to enhance clinic practices and client satisfaction.
- Provided emergency care for critical cases during on-call shifts.
