SUMMARY

Dedicated Comparative Politics Researcher with over 8 years of experience in analyzing political systems, electoral behaviors, and public policies across different regions. My expertise lies in employing qualitative and quantitative research methods to derive insights that inform policy recommendations. I have worked extensively with governmental and non-governmental organizations to assess the impact of political decisions on social outcomes.

WORK EXPERIENCE

Senior Research Analyst Global Policy Institute

Jan 2023 - Present

- Conducted comprehensive analyses of electoral systems in emerging democracies.
- Utilized advanced statistical models to predict political stability outcomes.
- Collaborated with international teams to publish findings in peer-reviewed journals.
