Experienced Comparative Politics Researcher with a focus on Latin American political dynamics, particularly in the areas of governance and corruption. With over 10 years of experience, I have developed a nuanced understanding of the socio-political landscape in various countries. My work is characterized by a commitment to empirical research and the application of rigorous methodologies that yield reliable insights.

PROFESSIONAL EXPERIENCE

Transparency International
Lead Researcher
Mar 2018 - Present

- Directed research initiatives focused on corruption metrics across Latin America.
- Designed and implemented surveys that assessed public perceptions of government integrity.
- Analyzed data trends using R to produce comprehensive reports for policymakers.
- Collaborated with local NGOs to ensure community perspectives were included in research.
- Presented findings to governmental bodies, advocating for anti-corruption reforms.
- Trained and supervised a team of junior researchers in data collection techniques.

Institute for Latin American Studies
Senior Research Associate
Dec 2015 - Jan 2018

- Conducted comparative analyses of governance structures in post-colonial states.
- Published articles in renowned journals focusing on political accountability.
- Led workshops to disseminate research findings to local communities.
- Managed partnerships with academic institutions to enhance collaborative research.
- Utilized advanced statistical software to analyze complex datasets.
- Participated in policy roundtables to discuss research implications with stakeholders.

ACHIEVEMENTS

- Authored a key report that influenced anti-corruption legislation in several countries.
- Recognized as an outstanding researcher by the Latin American Studies Association in 2019.
- Successfully led a project that reduced corruption perception by 20% in targeted regions.
