# MICHAEL ANDERSON

## COMPETITION RESEARCH ANALYST

Strategically minded Competition Economist with a robust background in empirical research and data analysis. Extensive experience in evaluating competitive behavior and market outcomes across diverse sectors. Adept at employing sophisticated econometric techniques to derive actionable insights that drive business strategy and regulatory compliance. Recognized for a keen ability to navigate complex economic landscapes and communicate findings effectively to non-technical stakeholders.

## PROFESSIONAL EXPERIENCE

### **Economic Advisory Group**

*Mar 2018 - Present*

Competition Research Analyst

- Performed rigorous economic analysis to assess competition in regulated industries.
- Developed econometric models to evaluate market power and pricing behavior.
- Collaborated with clients to design research methodologies tailored to specific needs.
- Produced comprehensive reports that guided client strategic planning.
- Presented findings at industry seminars and conferences.
- Led workshops to educate clients on economic analysis techniques.

### **Market Dynamics Institute**

*Dec 2015 - Jan 2018*

Junior Competition Economist

- Assisted in conducting market research and analysis for various sectors.
- Utilized statistical tools to interpret complex datasets and derive insights.
- Supported senior economists in preparing reports for regulatory submissions.
- Engaged in client meetings to discuss research findings and implications.
- Contributed to the development of internal research frameworks.
- Maintained up-to-date knowledge of industry trends and economic policies.

## ACHIEVEMENTS

- Led a project that resulted in a 15% improvement in client competitive standing.
- Recognized for excellence in teamwork and research contributions.
- Published a paper on competition policy in a leading economic journal.
