# MICHAEL ANDERSON

## COMPLIANCE ANALYST

Strategic and analytical Construction Compliance Officer with a robust background in enforcing compliance regulations within the construction industry. Holds a track record of successfully guiding organizations through complex compliance landscapes while ensuring projects remain on schedule and within budget. Expertise in conducting thorough compliance audits, assessments, and inspections, coupled with a keen ability to identify areas for improvement.

## **PROFESSIONAL EXPERIENCE**

### **Innovative Structures LLC**

*Mar 2018 - Present*

Compliance Analyst

- Conducted detailed compliance audits to identify and rectify areas of non-compliance.
- Collaborated with project teams to develop compliance strategies for new initiatives.
- Monitored regulatory updates and communicated changes to relevant stakeholders.
- Provided training to staff on compliance protocols and best practices.
- Utilized compliance software to track and manage compliance documentation.
- Reported compliance findings to senior management with actionable recommendations.

### **BuildRight Corp**

*Dec 2015 - Jan 2018*

Site Compliance Supervisor

- Oversaw compliance adherence during construction activities on-site.
- Implemented compliance checklists for daily operations to enhance safety.
- Engaged with regulatory agencies during site inspections and audits.
- Facilitated compliance workshops for employees and subcontractors.
- Maintained records of compliance-related incidents and resolutions.
- Collaborated with safety officers to ensure alignment with safety standards.

## **ACHIEVEMENTS**

- Improved compliance audit outcomes by 30% through enhanced training programs.
- Developed a compliance tracking system that reduced documentation errors by 50%.
- Received 'Outstanding Compliance Officer' award for exceptional performance in 2022.
