## WORK EXPERIENCE

**Safety Compliance Consultant** 2020-2023  
SafeBuild Advisors

- Conducted safety audits on construction sites, ensuring compliance with OSHA regulations.
- Developed and implemented comprehensive safety training programs for workers.
- Collaborated with project managers to create site-specific safety plans.
- Monitored safety performance metrics, identifying trends and areas for improvement.
- Facilitated safety meetings to promote awareness and best practices among teams.
- Provided expert guidance on regulatory compliance and risk management.

**Construction Safety Officer** 2019-2020  
BuildRight Construction

- Oversaw daily safety operations on construction sites, ensuring adherence to safety protocols.
- Conducted risk assessments and developed mitigation strategies for identified hazards.
- Coordinated safety training sessions for new hires and ongoing staff.
- Monitored compliance with safety regulations and reported violations to management.
- Implemented accident investigation procedures to identify root causes and prevent recurrence.
- Promoted a culture of safety through regular communication and training initiatives.

## ACHIEVEMENTS

- Awarded 'Safety Excellence Award' by the National Safety Council in 2021.
- Reduced workplace incidents by 40% through the implementation of new safety protocols.
- Developed a safety manual that is now a standard for multiple construction firms.
