MICHAEL ANDERSON

SENIOR INFRASTRUCTURE ESTIMATOR

Accomplished Construction Estimator with significant expertise in large-scale infrastructure projects, offering over 10 years of experience in cost estimation and project analysis. Possesses a robust understanding of construction methodologies and market trends, enabling precise forecasting and strategic planning. Demonstrated ability to lead cross-functional teams in executing complex projects while adhering to stringent timelines and budgets.

PROFESSIONAL EXPERIENCE

Global Infrastructure Partners

Mar 2018 - Present

Senior Infrastructure Estimator

- Developed comprehensive cost estimates for multi-million dollar infrastructure projects.
- Coordinated with engineering teams to ensure accurate project specifications.
- Analyzed historical data to inform cost forecasting and budgeting.
- Utilized advanced estimation software to streamline processes and reduce errors.
- Facilitated stakeholder meetings to align project goals and expectations.
- Mentored junior estimators in advanced estimation techniques.

City Development Corp.

Dec 2015 - Jan 2018

Cost Estimator

- Prepared cost estimates and budgets for municipal infrastructure projects.
- Conducted feasibility studies to assess project viability and cost implications.
- Engaged with subcontractors to validate pricing and scope of work.
- Maintained project documentation and records for auditing purposes.
- Participated in client presentations to communicate project estimates.
- Implemented cost-saving strategies that reduced project expenses by 10%.

ACHIEVEMENTS

- Successfully managed estimation for projects exceeding \$500 million.
- Awarded 'Estimator Excellence' for outstanding contributions to project success.
- Implemented a new estimation software that improved team efficiency by 25%.
