ACHIEVEMENTS

- Received 'Excellence in Project Management' award from the Construction Industry Association in 2022.
- Successfully managed a \$40 million public infrastructure project, completing it two months ahead of schedule.
- Developed a project tracking system that improved efficiency by 25% across multiple projects.

PROFILE

Accomplished Construction Execution Manager with a solid foundation in civil engineering and over 12 years of experience managing complex construction projects in both public and private sectors. Expertise encompasses the entire project lifecycle, from feasibility studies and design to execution and final delivery. Demonstrated ability to lead diverse teams and manage multiple stakeholders while maintaining a strong focus on safety, quality, and compliance.

EXPERIENCE

CONSTRUCTION MANAGER

Premier Builders Group

2016 - Present

- Oversaw the construction of high-rise buildings, ensuring compliance with safety and building codes.
- Managed project schedules, budgets, and resources to ensure efficient project execution.
- Collaborated with architects, engineers, and subcontractors to streamline construction processes.
- Implemented quality control measures that improved project outcomes and client satisfaction.
- Conducted regular site inspections to monitor progress and enforce safety protocols.
- Utilized construction management software to enhance project tracking and reporting capabilities.

ASSISTANT CONSTRUCTION MANAGER

Metro Construction Services

2014 - 2016

- Supported the construction management team in the execution of residential projects.
- Assisted in the preparation of project budgets and schedules, ensuring alignment with client expectations.
- Coordinated with subcontractors and suppliers to maintain project timelines.
- Maintained project documentation and reports for stakeholder review.
- Facilitated meetings with clients to discuss project progress and address concerns.
- Participated in the development of safety protocols that improved overall site safety.
