INSTITUTE OF TECHNOLOGY**

### ACHIEVEMENTS

- Awarded 'Excellence in Infrastructure Development' by the American Society of Civil Engineers in 2020.
- Successfully managed a \$120 million highway project, completing it ahead of schedule and under budget.
- Implemented a sustainability initiative that reduced project carbon footprint by 30% over five years.

### WORK EXPERIENCE

#### INFRASTRUCTURE PROJECT MANAGER

National Infrastructure Group

2020 - 2025

- Directed large-scale infrastructure projects, including highways and bridges, from concept to completion.
- Managed project budgets exceeding \$100 million, ensuring financial accountability and transparency.
- Collaborated with government agencies to secure necessary permits and approvals.
- Implemented cutting-edge construction technologies to enhance efficiency and reduce environmental impact.
- Conducted feasibility studies to assess project viability and inform decision-making.
- Developed and maintained comprehensive project schedules to track progress and milestones.

#### PROJECT ENGINEER

Urban Infrastructure Solutions

2015 - 2020

- Supported the project management team in the execution of urban development projects.
- Assisted in the design and planning phases, ensuring alignment with regulatory standards.
- Monitored site activities to ensure compliance with safety and quality standards.
- Prepared technical reports and documentation for project stakeholders.
- Facilitated communication between project teams and external stakeholders.
- Participated in risk assessment meetings to identify potential project challenges.
