

MICHAEL ANDERSON

CONSTRUCTION MANAGER

PROFILE

Accomplished Construction Manager with a robust background in the development of infrastructure projects and a proven track record of delivering high-quality results under tight deadlines. Expertise encompasses comprehensive project lifecycle management, from initial feasibility studies to final inspections. Skilled in leveraging advanced construction technologies and methodologies to ensure projects are completed on-time and within budget.

EXPERIENCE

CONSTRUCTION MANAGER

Metro Infrastructure

2016 - Present

- Directed the construction of a \$50 million transportation project, completing it 3 months ahead of schedule.
- Implemented Lean construction practices, reducing waste by 25% across projects.
- Facilitated cross-functional team meetings to enhance project communication and efficiency.
- Managed project budgets exceeding \$100 million, ensuring financial accountability.
- Oversaw contractor performance evaluations, maintaining high-quality standards.
- Enhanced safety protocols, leading to zero accidents during project execution.

ASSISTANT PROJECT MANAGER

Urban Development Group

2014 - 2016

- Assisted in managing urban development projects, focusing on zoning compliance and stakeholder engagement.
- Coordinated with engineers to develop project timelines and resource allocation plans.
- Supported the preparation of bid proposals, enhancing win rates by 20%.
- Monitored project budgets and reported variances to senior management.
- Facilitated training sessions for new team members on project management software.
- Helped in the resolution of on-site disputes, ensuring project continuity.
