MICHAEL ANDERSON

CONSTRUCTION PROGRAM DIRECTOR

Accomplished Construction Program Manager with over a decade of experience leading diverse teams in the successful execution of residential and commercial construction projects. Skilled in strategic planning, resource allocation, and project execution, ensuring projects are completed to the highest standards of quality. Demonstrates a robust ability to manage stakeholder relationships and negotiate contracts that align with project goals.

PROFESSIONAL EXPERIENCE

EcoBuild Solutions

Mar 2018 - Present

Construction Program Director

- Directed multiple residential projects focusing on sustainable building practices and energy efficiency.
- Implemented project management software to enhance collaboration and documentation.
- Established key performance indicators to measure project success and team efficiency.
- Engaged with local communities to ensure project alignment with community needs.
- Managed project finances, ensuring adherence to budget constraints.
- Conducted regular site inspections to enforce safety standards and quality control.

Urban Habitat Developers

Dec 2015 - Jan 2018

Assistant Project Manager

- Supported project managers in the execution of large-scale urban development projects.
- Coordinated with subcontractors to ensure timely completion of project milestones.
- Monitored project schedules and reported on progress to senior management.
- Assisted in contract negotiations and procurement processes.
- Participated in safety training sessions and enforced compliance on site.
- Maintained project documentation to support regulatory compliance and audits.

ACHIEVEMENTS

- Successfully led a \$20 million residential project that achieved LEED certification.
- Awarded 'Best Project' by the local chapter of the Home Builders Association.
- Reduced project costs by 15% through effective resource management strategies.
