# Michael Anderson

## PROJECT MANAGER

Dynamic Construction Project Manager with a strong foundation in managing complex projects in the residential sector. Expertise encompasses all phases of construction, from pre-construction planning through to project closeout, with a focus on delivering exceptional quality and customer satisfaction. Proven leadership skills enable effective team management and cross-functional collaboration. Strong analytical abilities facilitate the identification of project risks and the development of mitigation strategies.

## EXPERIENCE

### PROJECT MANAGER

Home Builders Inc.

2016 - Present

- Managed residential construction projects from inception to completion.
- Coordinated with architects and engineers to ensure design integrity.
- Utilized project management tools to monitor timelines and deliverables.
- Conducted regular client meetings to ensure alignment on project goals.
- Implemented quality control processes, reducing defects by 25%.
- Trained and mentored junior project staff to enhance team capabilities.

### ASSISTANT PROJECT MANAGER

Green Space Developers

2014 - 2016

- Assisted in managing multiple residential renovation projects.
- Prepared project schedules and budget estimates for client proposals.
- Maintained communication with clients to provide updates and address concerns.
- Conducted site visits to ensure compliance with safety and quality standards.
- Supported financial tracking and reporting for project costs.
- Collaborated with subcontractors to ensure timely project delivery.
