MICHAEL ANDERSON

SAFETY PROGRAM DIRECTOR

Strategic and results-oriented construction safety manager with a distinguished career in enhancing workplace safety standards within the construction sector. Demonstrated ability to develop and implement effective safety policies and procedures that align with organizational goals and regulatory requirements. Expertise in conducting comprehensive safety training programs and fostering a proactive safety culture among employees.

PROFESSIONAL EXPERIENCE

JKL Construction Solutions

Mar 2018 - Present

Safety Program Director

- Directed the safety program for a portfolio of construction projects valued over \$100 million.
- Implemented risk management strategies that reduced hazards on-site.
- Conducted safety audits and compliance checks to ensure adherence to regulations.
- Developed training materials and facilitated workshops for staff.
- Established safety performance benchmarks and monitored progress.
- Achieved a significant decrease in safety-related incidents over five years.

MNO Safety Advisors

Dec 2015 - Jan 2018

Construction Safety Consultant

- Provided expert safety consultation services to various construction firms.
- Assisted clients in developing tailored safety programs and policies.
- Conducted training sessions on regulatory compliance and best practices.
- Performed site assessments to identify potential safety risks.
- Collaborated with stakeholders to enhance safety culture.
- Facilitated the development of safety committees to improve engagement.

ACHIEVEMENTS

- Recognized for leading a safety initiative that earned a national safety award.
- Developed a safety training program that became a benchmark for the industry.
- Successfully reduced incident rates by 50% through strategic interventions.
