# Michael Anderson

## FORENSIC PSYCHIATRIST

I am a dedicated Consultant Psychiatrist with a strong emphasis on forensic psychiatry, bringing over 11 years of experience in assessing and treating individuals involved in the legal system. My expertise includes conducting competency evaluations, risk assessments, and providing expert testimony in court. I have worked closely with law enforcement agencies, attorneys, and correctional facilities to develop treatment plans tailored to the unique needs of my clients.

## EXPERIENCE

### FORENSIC PSYCHIATRIST

State Correctional Facility

2016 - Present

- Conducted over 300 forensic evaluations for individuals in the correctional system.
- Provided expert testimony in court regarding mental health evaluations.
- Collaborated with legal teams to develop appropriate treatment plans for incarcerated individuals.
- Assessed risk factors for recidivism and provided recommendations for rehabilitation.
- Participated in interdisciplinary team meetings to discuss patient progress and treatment outcomes.
- Developed training materials for legal professionals on mental health issues.

### CONSULTANT PSYCHIATRIST

Forensic Mental Health Clinic

2014 - 2016

- Conducted competency assessments for over 150 clients involved in legal proceedings.
- Developed comprehensive reports detailing assessment findings and treatment recommendations.
- Provided consultation services to attorneys on mental health-related legal issues.
- Engaged in research examining the relationship between mental illness and criminal behavior.
- Facilitated workshops for law enforcement on mental health crisis interventions.
- Advocated for policy changes to improve mental health resources in the criminal justice system.
