# MICHAEL ANDERSON

## COPPER DESIGN SPECIALIST

Innovative Copper Craft Artisan with a focus on contemporary design and sustainable practices, bringing over 12 years of experience in the field.

Acknowledged for the ability to merge artistic vision with high-quality craftsmanship, producing distinctive copper pieces that resonate with both art and utility. Expertise includes the integration of cutting-edge technologies and eco-friendly materials into the crafting process, enhancing both the aesthetic and functional properties of finished products.

## PROFESSIONAL EXPERIENCE

### **Modern Metalworks**

*Mar 2018 - Present*

Copper Design Specialist

- Developed contemporary copper art pieces for galleries and exhibitions.
- Implemented sustainable sourcing practices in material procurement.
- Collaborated with designers to create innovative product lines.
- Utilized 3D modeling software to visualize design concepts before fabrication.
- Conducted client workshops to foster appreciation for copper craftsmanship.
- Maintained an organized workspace to promote safety and efficiency.

### **Copper Artisans LLC**

*Dec 2015 - Jan 2018*

Junior Copper Artisan

- Assisted in the fabrication of custom copper furniture and decor.
- Learned and applied various metalworking techniques under senior artisans.
- Maintained tools and equipment to ensure optimal functionality.
- Participated in design brainstorming sessions to contribute creative ideas.
- Processed client feedback to refine product designs accordingly.
- Supported the installation of copper pieces in residential and commercial spaces.

## ACHIEVEMENTS

- Winner of the 'Emerging Artist Award' at the National Craft Exhibition, 2021.
- Increased client base by 40% through targeted marketing strategies.
- Published a series of articles on copper craftsmanship in trade journals, 2022.
