## TECHNOLOGY COPYRIGHT COUNSEL

Proficient copyright attorney with a strong focus on the intersection of copyright law and technology. Extensive experience in advising tech companies on copyright-related matters, including software licensing and digital content distribution. Known for a pragmatic approach to legal challenges, ensuring that clients remain compliant while fostering innovation. Demonstrates a deep understanding of the digital landscape and the implications of copyright law on emerging technologies.

## **PROFESSIONAL EXPERIENCE**

### **Tech Innovations LLC**

*Mar 2018 - Present*

Technology Copyright Counsel

- Advised on copyright issues related to software development and digital content creation.
- Reviewed and negotiated software licensing agreements to protect client interests.
- Conducted thorough risk assessments of digital products to identify copyright vulnerabilities.
- Collaborated with engineering teams to ensure compliance with copyright laws in product design.
- Participated in industry panels discussing copyright challenges in technology.
- Developed internal policies for copyright management and compliance.

### **Digital Rights Agency**

*Dec 2015 - Jan 2018*

Copyright Analyst

- Assisted in the analysis of copyright infringement claims in the digital realm.
- Researched case law to support litigation efforts and client advisories.
- Prepared reports on copyright trends affecting technology sectors.
- Engaged with stakeholders to educate on copyright implications of new technologies.
- Supported legal teams in drafting copyright-related policies and guidelines.
- Monitored legislative changes affecting copyright law and technology.

## **ACHIEVEMENTS**

- Successfully mitigated copyright risks for a major software release, preventing potential lawsuits.
- Authored a widely referenced white paper on copyright and emerging technologies.
- Recognized for outstanding contribution to industry discussions on copyright issues.
