MICHAEL ANDERSON

CORPORATE BANKING ANALYST

Dynamic Corporate Banker with a strong focus on financial strategy and risk assessment within the corporate sector. Expertise in leveraging quantitative analysis and market insights to drive informed decision-making and enhance client portfolio performance. Proven ability to cultivate and maintain enduring client relationships through exceptional service delivery and tailored financial solutions.

PROFESSIONAL EXPERIENCE

Capital Growth Bank

Mar 2018 - Present

Corporate Banking Analyst

- Analyzed financial statements and market data to assess credit risk for corporate loans.
- Assisted in preparing loan proposals and presentations for client meetings.
- Conducted industry research to support strategic decision-making for corporate clients.
- Collaborated with relationship managers to identify opportunities for cross-selling banking products.
- Utilized financial modeling techniques to project client cash flows and repayment capabilities.
- Participated in risk assessment discussions to evaluate potential lending scenarios.

Metro Bank

Dec 2015 - Jan 2018

Junior Corporate Banker

- Supported senior bankers in managing corporate accounts with total assets of \$100 million.
- Prepared credit analysis reports to inform lending decisions.
- Engaged with clients to gather financial information and understand their banking needs.
- Assisted in the development of marketing materials to promote banking services.
- Tracked industry trends to provide insights on competitive positioning.
- Helped streamline the loan approval process by implementing new documentation procedures.

ACHIEVEMENTS

- Successfully contributed to a 20% increase in loan approvals within the first year.
- Recognized for excellence in client service during the annual performance review.
- Developed a data analytics tool that improved reporting efficiency by 30%.
