

MICHAEL ANDERSON

Cost Estimator Specialist

Resourceful and proactive Cost Estimator with extensive experience in the aerospace industry. Proven expertise in developing cost estimates for complex aerospace projects, including aircraft manufacturing and maintenance. Adept at utilizing advanced costing methodologies to ensure accuracy and compliance with industry standards. Known for collaborating effectively with engineering and production teams to identify cost-saving opportunities without compromising quality.

WORK EXPERIENCE

Cost Estimator Specialist 2020-2023
AeroDynamics Corp.

- Developed cost estimates for aerospace manufacturing projects.
- Utilized advanced costing methodologies to ensure compliance with standards.
- Collaborated with engineering teams to identify cost-saving opportunities.
- Presented detailed cost analysis reports to senior management.
- Conducted audits of cost estimation processes for accuracy.
- Maintained relationships with suppliers to ensure competitive pricing.

Junior Cost Estimator 2019-2020
SkyTech Innovations

- Assisted in preparing cost estimates for aerospace components.
- Analyzed project specifications to provide accurate estimates.
- Worked with project managers to track expenditures and budgets.
- Supported the development of cost-saving initiatives.
- Maintained detailed records of estimating processes.
- Participated in team meetings to discuss project progress.

ACHIEVEMENTS

- Achieved a 10% reduction in project costs through effective negotiation.
- Recognized for outstanding contributions to project cost management.
- Implemented a new cost estimation tool that enhanced accuracy by 15%.
