LANGUAGES

- English
- Spanish
- French

Strategic Costume Designer with extensive expertise in costume design for large-scale productions, including opera and ballet. Proven ability to manage complex projects from conception to execution, ensuring that all elements align with the artistic vision of the production. Strong leadership skills facilitate effective collaboration with a diverse team of artists, designers, and technicians.

💼 WORK EXPERIENCE

Costume Designer
2020-2023

Grand Opera House

- Designed and implemented costumes for multiple operatic productions.
- Collaborated with conductors and choreographers to ensure design alignment.
- Managed costume budgets, achieving a 10% savings without sacrificing quality.
- Oversaw a team of craftsmen and seamstresses to ensure high standards of production.
- Conducted fittings and made adjustments based on performers' feedback.
- Documented all designs and processes for future reference and training purposes.

Costume Coordinator
2019-2020

Ballet Company ABC

- Coordinated costume logistics for ballet performances, ensuring timely delivery.
- Assisted in the design process for seasonal productions.
- Maintained inventory and condition of costumes throughout the season.
- Engaged with dancers to understand their costume needs for performance.
- Supported the costume team in fittings and alterations.
- Participated in community outreach programs to promote ballet.

★ ACHIEVEMENTS

- Awarded the Best Costume Design at the International Opera Festival, 2022.
- Successfully managed a team of 15 in high-pressure environments.
- Recognized for innovative costume solutions that enhanced performance quality.
