Michael Anderson

COSTUME STYLIST

Dynamic Costume Stylist with a strong emphasis on contemporary fashion and innovative design approaches. Experienced in creating visually compelling costumes for music videos and live performances, translating artist concepts into wearable art. Known for a collaborative spirit and the ability to work under tight deadlines while maintaining high standards of quality.

EXPERIENCE

COSTUME STYLIST

Vibrant Arts Agency

2016 - Present

- Designed and styled costumes for over 40 music videos, enhancing artistic vision and brand identity.
- Collaborated closely with artists to develop unique visual concepts for performances.
- Managed all aspects of costume production, from ideation to final fittings.
- Explored innovative materials and techniques to create standout pieces.
- Coordinated with makeup and hair teams to ensure a cohesive aesthetic.
- Oversaw wardrobe logistics during live shows, ensuring timely changes and functionality.

ASSISTANT COSTUME DESIGNER

Live Performance Productions

2014 - 2016

- Assisted in the design and execution of costumes for live performances, contributing to overall production success.
- Supported lead designers in fabric selection and sourcing for contemporary pieces.
- Participated in fittings and provided feedback on costume functionality.
- Maintained organized costume inventory for efficient access during performances.
- Engaged in brainstorming sessions for new costume concepts and designs.
- Contributed to post-performance evaluations, providing insights for future projects.
