Dynamic Creative Writing Mentor with a comprehensive background in journalism and creative writing education. Expertise in cultivating writing skills through innovative teaching methodologies and real-world applications. Proven ability to inspire students to explore their creativity and enhance their writing capabilities. Recognized for developing unique programs that bridge the gap between creative writing and journalism.

WORK EXPERIENCE

JOURNALISM AND CREATIVE WRITING INSTRUCTOR

State University

2020 - 2025

- Taught courses that integrated journalism principles with creative writing techniques.
- Guided students in producing multimedia storytelling projects, enhancing engagement.
- Organized collaborative projects with local news outlets to provide real-world writing experience.
- Facilitated workshops on ethics in writing and media literacy.
- Evaluated student work and provided detailed feedback to support improvement.
- Developed partnerships with local organizations to promote student work in the community.

CREATIVE WRITING WORKSHOP LEADER

Community Arts Center

2015 - 2020

- Led weekly creative writing workshops for adults, focusing on personal narrative and memoir.
- Created a supportive environment that encouraged risk-taking in writing.
- Facilitated discussions on literary techniques and their application in personal writing.
- Developed promotional materials to attract diverse participants to workshops.
- Organized public readings to showcase participant work and foster community engagement.
- Collaborated with other arts disciplines to enhance the creative experience.
