MICHAEL ANDERSON

CREW SCHEDULING SUPERVISOR

Strategic and meticulous Crew Scheduling Manager with a comprehensive background in logistics and operations management. Exceptional ability to navigate complex scheduling challenges while ensuring compliance with all regulatory requirements. Proven experience in utilizing advanced scheduling tools to enhance workforce productivity and operational efficiency. Recognized for fostering a collaborative environment among crew members and operational teams, promoting a culture of excellence and accountability.

PROFESSIONAL EXPERIENCE

SkyHigh Airlines

Mar 2018 - Present

Crew Scheduling Supervisor

- Supervised a team responsible for creating and managing crew schedules for domestic and international flights.
- Implemented a predictive analytics tool to forecast crew requirements based on historical data.
- Conducted regular audits of crew schedules to ensure compliance with labor laws and company policies.
- Facilitated cross-departmental meetings to address scheduling conflicts and operational needs.
- Trained new team members on scheduling software and operational procedures.
- Developed contingency plans to address unforeseen scheduling challenges.

AeroDynamics

Dec 2015 - Jan 2018

Crew Scheduler

- Managed daily crew scheduling for a fleet of charter flights, ensuring optimal crew utilization.
- Utilized scheduling software to track crew hours and compliance with duty regulations.
- Collaborated with flight operations to adjust schedules based on operational changes.
- Implemented a feedback system for crew members to report scheduling issues.
- Analyzed scheduling metrics to identify trends and propose improvements.
- Assisted in the integration of new crew scheduling software across the organization.

ACHIEVEMENTS

- Increased crew satisfaction ratings by 40% through enhanced scheduling processes.
- Recognized for outstanding performance in optimizing crew schedules during peak travel seasons.
- Successfully reduced scheduling errors by 35% through improved training and oversight.
