MICHAEL ANDERSON

CRIMINAL INTELLIGENCE CONSULTANT

Innovative Criminal Intelligence Analyst with a proven ability to transform raw data into strategic intelligence that drives criminal justice initiatives. Expertise lies in employing advanced analytical techniques to detect and disrupt criminal enterprises, thereby enhancing public safety. Recognized for developing sophisticated models that predict criminal behavior and inform law enforcement strategies.

PROFESSIONAL EXPERIENCE

Consulting Group
Mar 2018 - Present
Criminal Intelligence Consultant

- Provided expert analysis on criminal justice policies and their effectiveness in reducing crime.
- Developed predictive models to forecast criminal activity based on historical data.
- Advised law enforcement agencies on intelligence-led policing strategies.
- Facilitated workshops on data analysis techniques for criminal justice professionals.
- Conducted evaluations of crime reduction programs to assess impact and sustainability.
- Created comprehensive reports disseminated to stakeholders in law enforcement and government.

Local Police Department
Dec 2015 - Jan 2018
Junior Criminal Intelligence Analyst

- Assisted in the analysis of crime data to support ongoing investigations.
- Maintained and updated intelligence databases for accuracy and relevance.
- Participated in intelligence briefings and contributed insights for operational planning.
- Conducted field research to gather information on local crime trends.
- Collaborated with community organizations to gather intelligence on neighborhood safety.
- Produced monthly reports summarizing crime statistics and trends.

ACHIEVEMENTS

- Developed a predictive analysis tool that improved crime forecasting accuracy by 40%.
- Recognized as a top consultant for delivering impactful intelligence solutions.
- Authored a guide on best practices in criminal intelligence analysis.
