MICHAEL ANDERSON

SENIOR HOMICIDE INVESTIGATOR

Veteran criminal investigator with a strong foundation in homicide investigations and forensic science. Over 15 years of experience in law enforcement, specializing in cold case resolutions and the application of advanced forensic techniques. Proven ability to lead investigative teams and coordinate with various stakeholders, including forensic experts and legal professionals. Adept at utilizing modern technology in investigative processes to enhance the accuracy and efficiency of evidence collection.

PROFESSIONAL EXPERIENCE

City Police Department

Mar 2018 - Present

Senior Homicide Investigator

- Led investigations into homicide cases, employing forensic science to analyze crime scenes.
- Collaborated with forensic experts to interpret DNA evidence and other biological materials.
- Utilized cold case methodologies to re-examine unsolved cases, resulting in new leads.
- Conducted interviews with witnesses and suspects to gather critical evidence.
- Coordinated with prosecutors to prepare cases for trial.
- Trained new investigators on homicide investigation protocols and best practices.

County Sheriff's Office

Dec 2015 - Jan 2018

Criminal Investigator

- Investigated violent crimes, including assaults and robberies, with a focus on evidence integrity.
- Engaged in community meetings to foster relationships and gather information.
- Assisted in the development of crime prevention strategies based on investigation findings.
- Documented findings and prepared reports for legal proceedings.
- Utilized surveillance techniques to monitor criminal activities.
- Participated in inter-agency task forces to address regional crime issues.

ACHIEVEMENTS

- Resolved over 100 cold cases, bringing closure to families and communities.
- Awarded the Chief's Commendation for outstanding investigative work.
- Developed a best practices guide for homicide investigations widely adopted by local law enforcement agencies.
