Michael Anderson

JUNIOR MOBILE DEVELOPER

Detail-oriented and innovative Cross Platform Mobile Developer with 3 years of experience in building mobile applications that enhance user engagement and satisfaction. My hands-on experience with technologies such as React Native and Flutter allows me to create cross-platform solutions that meet diverse client needs. I have a strong background in front-end development, which complements my mobile development skills, enabling me to deliver seamless user interfaces.

EXPERIENCE

JUNIOR MOBILE DEVELOPER

Smart Tech Solutions

2016 - Present

- Developed and maintained cross-platform mobile applications using React Native.
- Collaborated with designers to implement intuitive user interfaces.
- Conducted user testing and incorporated feedback to improve app features.
- Participated in code reviews, enhancing code quality and team collaboration.
- Utilized Git for version control, streamlining the development process.
- Engaged in team meetings to discuss project progress and challenges.

MOBILE DEVELOPER INTERN

Innovative Apps Inc.

2014 - 2016

- Assisted in the development of mobile applications using Flutter.
- Worked closely with the development team to troubleshoot and resolve issues.
- Participated in daily stand-ups, contributing to agile workflows.
- Created documentation for project processes and features.
- Engaged in learning sessions to enhance technical skills.
- Supported testing efforts by identifying bugs and suggesting improvements.
