## WORK EXPERIENCE

### CSS Developer

2020-2023

Creative Minds Agency

- Developed and maintained CSS styles for client websites, ensuring brand consistency.
- Collaborated with designers to translate visual concepts into functional web pages.
- Implemented responsive design techniques to enhance user accessibility.
- Participated in brainstorming sessions for new project ideas and user interface improvements.
- Conducted website testing to ensure cross-browser compatibility.
- Provided support for debugging and troubleshooting CSS issues on live sites.

### Web Development Intern

2019-2020

Startup Solutions

- Assisted senior developers in creating CSS stylesheets for various web applications.
- Learned to implement best practices in front-end development.
- Maintained and updated web content for client websites.
- Engaged in user research to gather insights for design improvements.
- Participated in team meetings to discuss project progress and challenges.
- Prepared documentation for coding standards and project workflows.

## ACHIEVEMENTS

- Recognized for outstanding performance during internship, leading to a full-time offer.
- Contributed to a project that received positive feedback from clients for its design.
- Improved website performance metrics by 15% through effective CSS styling.
