### EDUCATION

**MASTER OF EDUCATION IN SPECIAL  
EDUCATION, UNIVERSITY OF  
INCLUSIVE LEARNING**

### ACHIEVEMENTS

- Implemented a new curriculum that led to a 35% increase in student achievement for students with disabilities.
- Received recognition for outstanding contributions to special education from local education authorities.
- Published a guide on inclusive curriculum practices widely used in special education training programs.

As a Curriculum Advisor with a focus on special education, I have dedicated over 12 years to developing inclusive curricula that meet the needs of all learners. My career began as a special education teacher, where I gained a deep understanding of the challenges and opportunities in teaching diverse populations.

### WORK EXPERIENCE

#### SPECIAL EDUCATION CURRICULUM COORDINATOR

Inclusive Learning Strategies

2020 - 2025

- Developed and implemented specialized curricula for students with disabilities, resulting in improved learning outcomes.
- Conducted assessments to evaluate student needs and curricular effectiveness.
- Facilitated training workshops for teachers on inclusive teaching methodologies.
- Collaborated with families to ensure curricula align with student goals and needs.
- Created resources to support teachers in differentiating instruction effectively.
- Monitored and reported on student progress to inform curriculum revisions.

#### CURRICULUM DEVELOPER

Special Needs Education Services

2015 - 2020

- Designed curricula that incorporated assistive technologies to support learning for all students.
- Worked closely with occupational therapists to create adapted learning materials.
- Trained staff on the implementation of individualized education plans (IEPs) within the curriculum.
- Conducted workshops for parents to engage them in the curriculum development process.
- Analyzed student performance data to refine curriculum and instructional practices.
- Established a mentorship program to support new special education teachers.
