PROFILE

I am a results-oriented Curriculum and Assessment Advisor with over 15 years of experience in higher education. My career has been dedicated to enhancing curriculum design and assessment strategies that promote student engagement and academic success. I have a strong background in faculty collaboration and program evaluation, ensuring that educational offerings meet both institutional goals and student needs.

EXPERIENCE

SENIOR CURRICULUM ADVISOR

University of Advanced Learning

2016 - Present

- Led the redesign of undergraduate programs to incorporate active learning methodologies.
- Conducted comprehensive assessments of academic programs to ensure quality standards.
- Collaborated with faculty to develop innovative curriculum materials and resources.
- Utilized data analytics to track student performance and retention rates.
- Facilitated professional development workshops for faculty on curriculum assessment.
- Engaged with external stakeholders to align curriculum with industry trends.

CURRICULUM ANALYST

Global University

2014 - 2016

- Analyzed course evaluations to identify areas for curriculum enhancement.
- Developed assessment criteria that align with institutional learning outcomes.
- Coordinated the review of academic programs for accreditation purposes.
- Worked closely with academic departments to streamline course offerings.
- Presented data-driven recommendations to academic committees.
- Participated in the development of online learning modules to enhance accessibility.
